This is an
“Un”-Conference

- 
- An ***UNCONFERENCE*** is a conference organized, structured and led by the people attending it. Instead of passive listening, all attendees and organizers are encouraged to become participants, with discussion leaders providing moderation and structure for attendees.

The

“Un”-Conference topics are...

Group Discussion

➤ Action:

- Describe the biggest challenges with this topic.
- Where have you had success and failure?
- Explain what the best resource is/was for information on the topic.
- Are there examples (spreadsheets, documents) you would be willing to share with others?
- What professional development have you found on the topic that may be useful to others?
- Anything else you would like to add?

Any final thoughts?

Thank You
