Administrative Review

The following steps are taken by a school district of public school academy that choose to contract with an intermediate school district or authorizer:

- Within 90 days of entering into a contract, the intermediate school district or authorizer must complete the administrative review and issue recommendations concerning those steps the school district or public school academy should consider taking to avoid deficit.
- 2. The intermediate school district or authorizer must present the recommendations at the next public meeting of the governing body of the school district or public school academy.
- 3. The intermediate school district or authorizer shall send a copy of the recommendations to the Michigan Department of Education (MDE) and the Michigan Department of Treasury (Treasury).
- 4. The administrative review will cover:
 - a) Examination of financial practices.
 - b) Staffing review and comparison to other school districts and public school academies, as applicable.
 - c) Wage review and comparison to other school districts and public school academies in the area, as applicable.
 - d) Benefit cost as a percentage of wages examination and comparison to other school districts and public school academies in the area, as applicable.
 - e) Building student capacity review.
 - f) Non-instructional costs by function code and comparison to school districts and public school academies, as applicable.
 - g) Enrollment projection and history.
 - h) Deferred maintenance and capital investment needs that include technology equipment and infrastructure.
 - i) Substitute, compensation, and unemployment costs/forecast.
 - j) Pupil transportation cost.
 - k) Current and Future costs of existing bargaining agreements.

- 5. The intermediate school district or authorizer shall submit quarterly updates to Treasury and MDE on the status of the implementation of the recommendations issued to the school district or public school academy.
- 6. Treasury will provide an update to the legislature on a quarterly basis.

^{*}Treasury may be willing to waive one or more of the required items

Periodic Reporting

Periodic reporting will required if a school district or public school academy does not contract with an intermediate school district or authorizer within 60 days of the declaration of potential fiscal stress.

Treasury will perform the following:

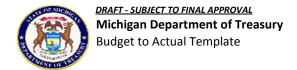

- 1. Notify the school district or public school academy that they are required to submit periodic reporting.
- 2. Provide a reporting template for the financial status reports. The financial status reports will include a 12-18 month cash flow report, and a budget to actual report.
- 3. Determine the periodic basis for the financial status reports.
- 4. Conduct a financial review of the school district or public school academy.

The financial status reports will be uploaded to the Department of Treasury website.
