

Hello <blank>,

One of your financial benefits through <plan sponsor> is to have exclusive access to <Savi>, a company founded by student loan policy experts, advocates, and borrowers who want to help solve the student debt crisis.

We are excited to invite you and your family members to a workshop with Savi to give <plan sponsor> employees the chance to learn more about their student loans. No matter where you are in your student loan journey, Savi will be there to walk you through every step of the process to help ensure you can achieve financial freedom.

The workshop will cover:

- Student loan policy updates, including the expansion of public service loan forgiveness, and what they mean for you
- Navigating the free Savi tool
- Reviewing repayment and forgiveness options
- Answering all of your student debt questions, and more!
