## Major Boilerplate Changes from FY 2023-24 Year-to-Date:

1. Consolidation Incentive Payments. The Conference added language to allow up to $\$ 25.0$ million from the consolidation incentive payments line to be awarded as grants to district and Intermediate School Districts (ISD) with emergency infrastructure needs that threaten the health and safety of students and staff. (Sec. 12c)
2. At-Risk. The Conference added language to allow a district to use up to $60 \%$ of funding for the retention and recruitment of instructional staff and reducing teacher to pupil ratios in grades K to 3 if certain requirements are met. Up to $30 \%$ may be used to reduce teacher to pupil ratios in grades K to 3 in school that have higher than $73 \%$ economically disadvantaged pupils. Another $30 \%$ can be used to support teacher retention and recruitment if the district is assigned to the opportunity index band 5 or 6, having at least 73\% economically disadvantaged pupils. (Sec. 31a)
3. Great Start Readiness Program. The Conference added an option for new providers to apply to have certain requirements waived for up to 3 years. (Sec. 32d)
4. MI Future Educator Fellowship and Student Teacher Stipends. The Conference added language allowing funds to be appropriated from the Educator Fellowship Public Provider Fund if the amount appropriated is insufficient to fund all eligible stipends (Sec. 27c). This is identical to language in Sec. 27a for the MI Future Educator Fellowship program. Also added language that unspent funds from the MI Future Educator Fellowship and Student Teacher Stipends would be deposited to the Educator Fellowship Public Provider Fund or Educator Fellowship Private Provider Fund, not lapse to the School Aid Fund or General Fund, as applicable. (Sec. 27d and 27e)
5. Repealed Sections. The Conference repealed sections that related to collective bargaining prohibitions (Sec. 164h) and various one-time funding programs.

FY 2023-24 Year-to-Date Appropriation

## Baseline Adjustments

1. MPSERS Unfunded Actuarially Accrued Liabilities (UAAL) Stabilization Payment. The Conference reduced appropriations for MPSERS UAAL amounts over the statutory cap of $20.96 \%$ of affected payroll to reflect actuarily-determined need.
2. MPSERS Normal Cost Offset. The Conference reduced appropriations for MPSERS normal costs, which are the present value of the cost of future retirement benefits accrued during a year of employment. This appropriation varies annually, based on market conditions, payroll growth, and various other actuarial assumptions.
3. Remove FY 2023-24 One-Time Appropriations. The Conference removed the 5 one-time appropriations that were included in the FY 202324 budget. These items are: $\$ 32.8$ million for ITEM grants; $\$ 5.0$ million for career and education navigators for adults; $\$ 5.0$ million for the Michigan Reconnect Entry Point Program; $\$ 5.0$ million for critical incident mapping; and $\$ 530,000$ for a workforce development grant.
4. North American Indian Tuition Waiver Adjustment. The Conference included an adjustment to ITW payments to colleges, based on the most recent ITW cost data submitted to the Department of Civil Rights.

To receive either an ongoing or one-time increase, community colleges must certify compliance with 2 out of 5 'best practices' as established under Section 216 e.

## Major Boilerplate Changes from FY 2023-24 Year-to-Date:

1. Repealed Sections. 236b (Federal Contingency Funds), 236h (FY 2022-23 MPSERS Paydown), 236k (Per-FYES Funding Floor), 236m (ITEM funds), 2360 (ITEM Certification), 241d (Higher Education Coordinating Council)
2. Michigan Achievement Scholarship (MAS). The Conference amended language for this program to increase last-dollar awards for community college students to cover all tuition and fees, up to a maximum of the in-district tuition for the student's program of study. The Conference removed the current $\$ 1,750$ minimum payment for community college students, and replaced it with a $\$ 1,000$ supplemental payment for Pell-eligible students. The Conference additionally increased the award amount for students at independent colleges and universities from $\$ 4,000$ to $\$ 5,500$, and made program awards for students at 4 -year public and independent colleges and universities based upon the student's cost of attendance, rather than tuition and fees, which is current law.
3. Postsecondary Scholarship Fund (PSF). The Conference included new language requiring that any lapsed appropriations for scholarship programs lapse to the PSF rather than the State General Fund, and would allow for the PSF to cover funding shortfalls in any scholarship program.
4. Tuition Grants. The Conference included language that would begin phasing out the program by prohibiting students from receiving an award under both the Tuition Grant and MAS. Students who received a Tuition Grant award prior to the 2024-25 academic year would continue to be eligible to receive an award.
5. Other Boilerplate Changes. 236n (FY24 TIP supplemental - \$8M), NEW 236r (Education Performance Study), 241c (Tuition Restraint- 4.5\% with 2nd year intended restraint level at 4.5\%), NEW 241e (Institutional Best Practices), NEW 247 (Reconnect Administration), NEW 270 (Bay Mills ITW Reimbursement), NEW 287 (Cost of Attendance Report), NEW 275m (Housing Report)

| Baseline Adjustments |  |  |  |  |
| 1. Transfer Michigan Reconnect from Department of Labor and Economic Opportunity (LEO) Budget. The Conference moved funding for the Michigan Reconnect Program from LEO to the Higher Education budget. This change would result in a $\$ 10.0$ million reduction to the program relative to the current year, as LEO currently has $\$ 62.0$ million appropriated for program awards. There is sufficient work project spending authority from prior years to ensure scholarship awards under the program are not affected. | 52,000,000 | 52,000,000 | 52,000,000 | 52,000,000 |
| 2. MPSERS Normal Cost Offset. The Conference reduced appropriations for MPSERS normal costs, which are the present value of the cost of future retirement benefits accrued during a year of employment.
